Mandeep Kaundal is an immigrant, who came to United States for education. He received his Master's degree in Agricultural Economics from Punjab Agricultural University in India and later on, received Masters in Business Administration from Eastern Washington University. He's worked for Washington State Government for about six years. Currently, he is working as Senior Performance Manager for Results Washington within the Office of the Governor for over a year and before that he worked for Department of Social and Health Services for five years. Prior to state Government, he worked in private sector for about five years, managing various programs/services serving people with disabilities. Since 2017, he is also serving as Chairperson for the Governor's Committee on Disability Issues and Employment (GCDE). During off times, he enjoys time with his family and love reading and creating stories with his twin boys. He is passionate about reading and learning new skills and enjoys discussions on wide range of subjects.
